EDUCATION

Bachelor of Science in Computer Science | *Cum Laude*
Gordon College

2021 – 2025

EXPERIENCE

UI/UX Designer & IT DevOps | Internship

Feb 2025 – Aug 2025

Planate Management Group

Hybrid

- Designed and built 5+ internal and client-facing systems, streamlining workflows and resolving 25+ UX issues via UAT before deployment.
- Managed Agile sprint deliverables across multiple projects, coordinating with developers and PMs to maintain on-time delivery.
- Supported frontend development using HTML, CSS, JavaScript, Tailwind, and React.js, cutting sprint turnaround by 10%.

UI/UX Designer | Internship

May 2024 – Sep 2024

KaveGuild

Remote

- Produced 10+ wireframes, mockups, and interactive prototypes in Figma, including website design replications to study layout and visual consistency.
- Conducted user research and case studies involving user personas, requirement analysis, usability evaluations, improving design alignment with user needs.
- Designed "Eventora," a high-fidelity event discovery prototype demonstrating UX problem-solving skills.

PROJECTS

Iram II Elementary School Transcript & Records System

Apr 2025 – Jun 2025

Project Manager & UI/UX Designer

- Led a 7-member team through full SDLC, delivering 2 weeks ahead of schedule with 100% stakeholder compliance and complete project documentation for smooth handover.
- Cut manual record retrieval time by 60% through process improvements, digitizing 200+ student records for the school.

Planate Management Group Support Center

Apr 2025 – Nov 2025

UI/UX Designer & Frontend Developer

- Designed and developed a support center UI for 500+ users, achieving 100% system completion within 7 months while improving service delivery, reducing manual workload, and strengthening compliance posture.
- Supported cost savings of US \$69K–\$73K annually by replacing commercial ITSM tools (~US \$293K equivalent) with an in-house built system.

SKILLS

Design: Figma, Canva, Photoshop, Illustrator, Capcut

Frontend: HTML, CSS, JavaScript, React.js, Tailwind CSS

Tools: Trello, ClickUp, Azure DevOps, Microsoft 365, Google Workspace, Github

CERTIFICATION & AWARDS

- Cum Laude, GPA: 93.7 – Gordon College, 2025
- BSCS Student Software Engineer of the Year & CCS Character-Excellence-Service Awardee – Gordon College, 2025
- Best Research Paper Presenter – IRCITE 2025
